Dollar competencies

* Company's focus area for improvement

Macro-economic trends

GST offers more efficient tax regime for tax players giving an edge to the organised sector over the unorganised sector

Increasing disposable incomes; brand-conscious, aspiration-driven and quality-focused Indian middle class

Buyers shopping preference shifting from MBOs to organised channels (wider range of brands, price points and designs)

Innerwear purchase extending beyond price

Youth experimenting with broader variety of colours and cuts; innerwear graduated from 'necessity' to 'fashion product'

Increased export volumes following focused marketing campaigns

Dollar's positioning

- The Company is working on a strategic road map in order to achieve the 'Brand' objective. It has planned a marketing strategy to reach customers across India and achieve set objective
- The implementation of the GST has catalysed the growth of organised players like Dollar
- Extensive investments in strategic brand-building exercises have affected the Company positively
- Top-notch backward integration capabilities and efficient distribution channels have ensured qualitative consistency and seamless raw material supply across its facilities
- The rise of e-tail and modern retail formats has increased the popularity of Dollar's products among consumers
- Digital marketing is one of the key areas where the Company is a trend setter in this category
- The Company's international presence has also lent a boost to its brand equity
- The Company's marketing team has been aggressively marketing and promoting its products across India. Dollar has its presence in all states across India and is present in more than 84,000+ MBOs

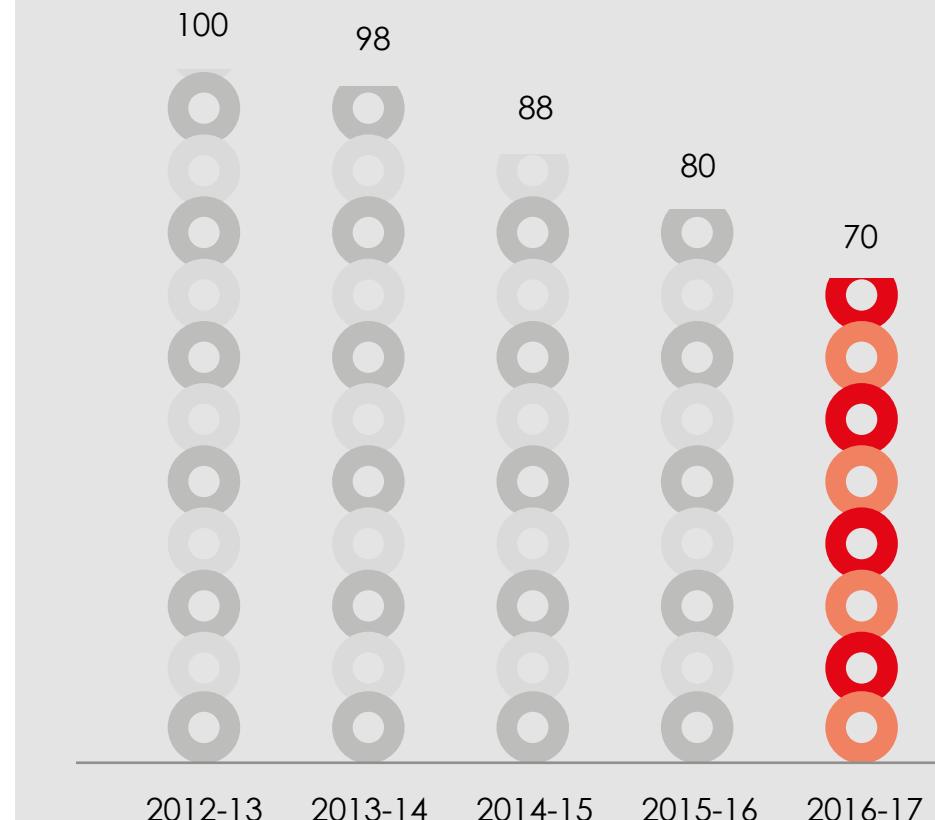

Dollar's asset-lightness

in 2016-17

Percentage of sales from outsourcing

Strength of the Dollar brand

1

Dollar follows a customer centric approach in today's volatile smart age

2

Dollar comes up with innovative branding and marketing techniques to carve a distinctive niche for itself

3

Dollar's brands have been positioned around the tagline of 'affordable premium'

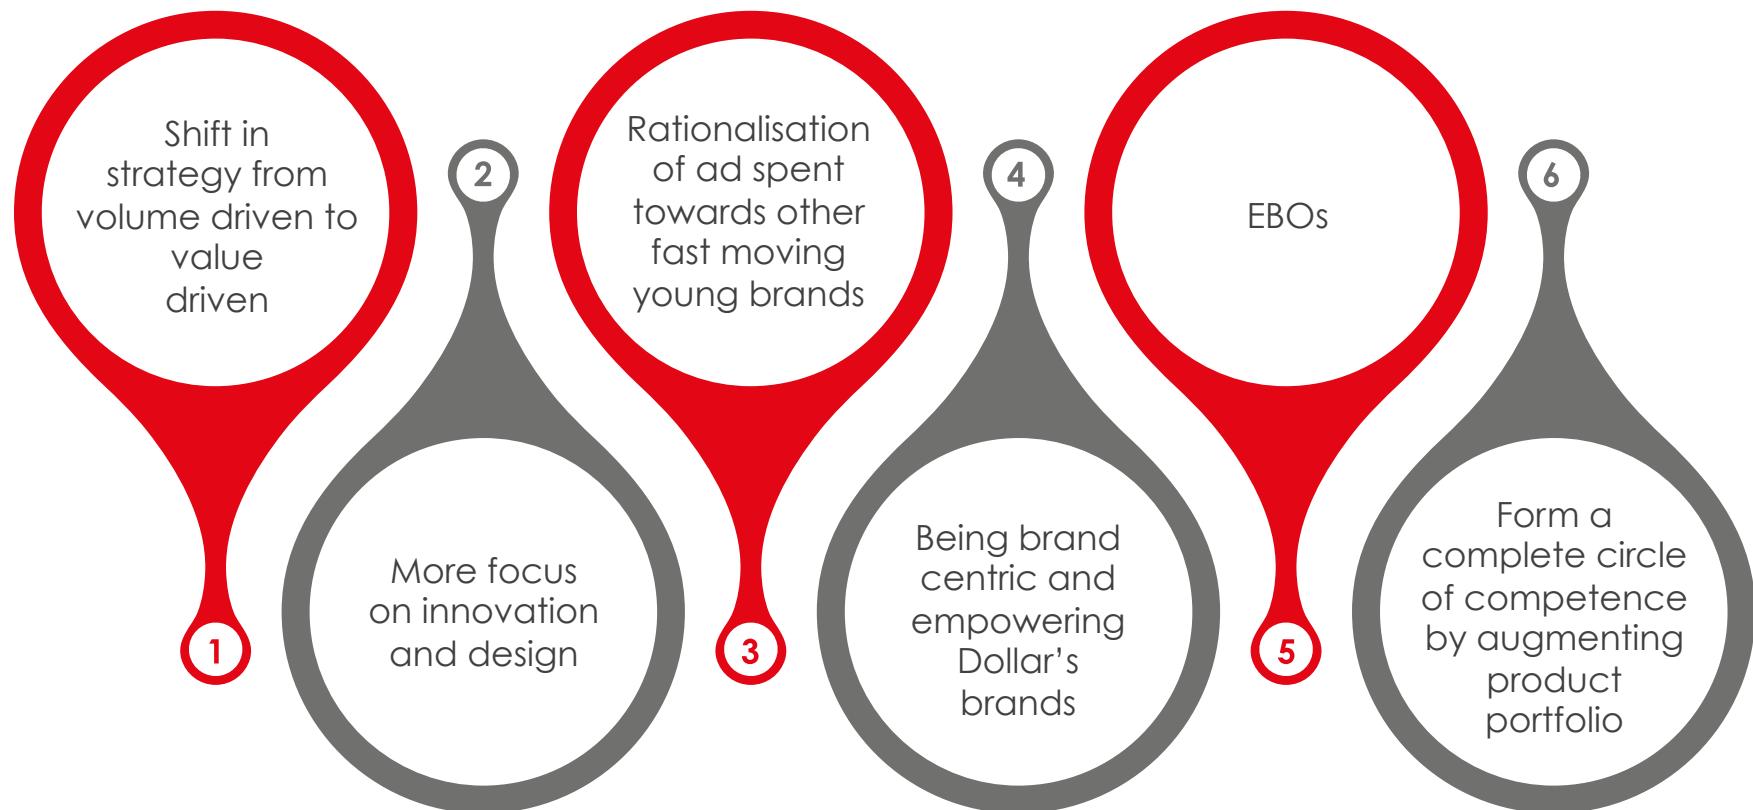

4

Dollar's fabric quality, styling and packaging has made its consumers feel their graduation to a superior lifestyle

This planned branding strategy has resulted in an increase in the Company's net worth from ₹88.58 crore in 2012-13 to ₹180.92 crore in 2016-17.

Dollar's Four P's of marketing

Product

- Portfolio width drives dealer effectiveness, visibility and off-take
- Strategic presence in emerging product categories

Dollar's approach

- Extended into growing segments (outwear for both men and women).
- Increase product portfolio from innerwear to outerwear
- Products for all age groups, demographic and psychographic segments which involves marketing in a focused manner by dividing the market into segments based upon customer traits.

Price

- Margins influenced by product pricing
- Most innerwear brands address the 'mass' segment

- Recent traction towards the premium end

Dollar's approach

- Defined pricing strategy for each segment
- Price differentiation not only in quality but also on brand positioning
- Inspiring for all age groups, from commodity buyers to brand owners

Dollar's Four P's of marketing

Place

- Success largely about providing the right item at the right place and right time
- Growing preference for MBOs, EBOs and LFSs

Dollar's approach

- Providing products across new retail channels.
- Planned marketing and distribution strategy to reach customers and achieve set objective.

Promotion

- Product acceptance dependent on distribution efficiency
- Growing online retail channels
- Positioned prudently across media for enhanced visibility
- Growing competition increased marketing and promotion costs
- Maximum impact through television spending

Dollar's approach

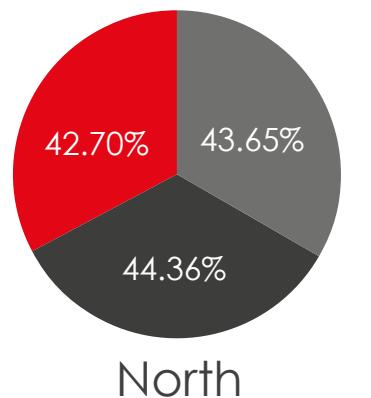

- An icon to our target group, Akshay Kumar who has been endorsing Dollar brand for the last 8 years has been further tied up for the next 3 years
- Enduring appeal; contemporary brand
- Brand communication strategy is developed to connect to the target group with high brand recall.
- Connected with the youth; superior visibility and off-take

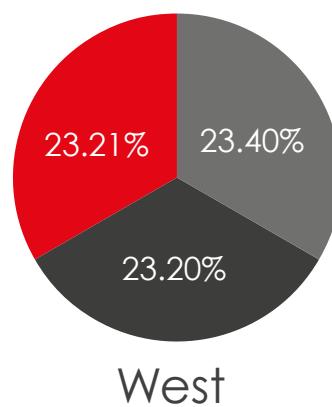

Dollar's distribution network

- Dollar has developed a robust distribution network across India and also exports its products to 19 countries
- Dollar products enjoy superior visibility across rural and metro India
- Dollar's relationships with wholesalers and retailers enhanced logistical efficiency and revenue accretion
- Dollar is venturing into new retail formats (LFSs, e-commerce portals and EBOs)
